As a member of the Roslindale High School Class of 1972, your graduation brings you face to face with a real challenge. You are now on the threshold from which your own desires, initiative, and integrity will determine in large measure your progress in life.

We who have worked with you and listened to you know that you are aware of the rapid and drastic changes thrust upon you; and that you are doing your best to acquire the wisdom, understanding, and tolerance to direct these forces into the good life for all mankind.

As you leave Roslindale High School, your teachers and Head Master offer you their good wishes for success and happiness in the careers of your choice. In the words of Theodore Roosevelt, "Much has been given us, and much will rightfully be expected from us. We have duties to others and duties to ourselves; and we can shrink from neither."

Helen M. Moran
Head Master

Dear Miss Moran,

In the short time we have known you, you have shown genuine concern and cooperation in helping to make our senior year a success. We thank you for your generous support and dedication which have seen us through our many activities.

As we end our years at Rossie and as you begin yours, we hope that you will have a most successful and enjoyable future here. The best of luck always!!

yearbook editors ...

YEARBOOK EDITORS: Mary Hamrock, *Advisor*; Rhonda Kitover, Patricia Pomarole, Angela Papadopoulos, Patricia Lieber, and John Abdalah, *Editors*. Putting a yearbook together is a monumental task. Decisions must be made about cover fabric and design—page layouts—pictorial records of activities, individual classmates, and faculty. The editors have devoted countless hours during and after school and at home to prepare this excellent record of their final year at R.H.S. It is a tribute to their ingenuity, self sacrifice, and dependability. Congratulations.

SENIOR HUMOR STAFF: Dennis Houle, *Advisor*; Janet Clifford, *Chairman*; Barbara Gamel, *Vice-Chairman*. The purpose of the Senior Humor Staff is to supervise the senior superlative elections and photography situations. The staff writes captions for the yearbook candids and will also write the class will and prophecy.

YEARBOOK PHOTOGRAPHERS: Mary Hamrock, *Advisor*; John Abdalah, *Photographer*; Susan Vokey, *Assistant Photographer*. Camera flashes in the classrooms, corridors, gymnasium, and assembly hall were evidence of the indefatigable photographers at work covering every phase of senior life. The pictures are superb.

humor staff ...

auxiliary staff . . .

YEARBOOK AUXILIARY STAFF: Mary Hamrock, *Advisor*. These young ladies have been at all times eager to help with the multiple details of rounding up data and typing the copy. Without the auxiliary staff the book could not have been prepared so expeditiously.

The success of our group photography schedules was due largely to the cheerful, unobtrusive efficiency of Dennis Lawler and John Imbergamo. As they moved furniture, ran errands, lent a hand wherever it was needed, they proved that gentlemen and scholars can also be first-rate handymen.

business staff . . .

YEARBOOK BUSINESS STAFF: Stephen Pacifico and Karle Siegfriedt, *Advisors*. "Want to buy an ad . . .?" This is a question Paula Schiavone, Kathy Rana-han, and Elaine Darrigo have been asking many of the merchants in the Roslin-dale-West Roxbury area. Thanks to their efforts, a portion of the yearbook cost has been realized. We hope you will patronize our generous neighborhood business firms.

national honor society ...

NATIONAL HONOR SOCIETY: Alfred Lennon, *Advisor*; Rhonda Kitover, *President*; Angela Papadopoulos, *Vice-President*; Jane Crowley, *Secretary*; Patricia Gaughan, *Treasurer*. One of the aims of the National Honor Society was to set up a tutorial program for students in the school. It sponsored a White Elephant Sale in order to raise money for a charity. Future plans for the National Honor Society include an induction of new members in the spring.

student readers ...

STUDENT READERS: Sandra Baer, *Advisor*. During their study periods, these girls play an active role in assisting the visually handicapped in the Vision Resource Room. Their duties include reading to students and aiding in the preparation of tape recorded and large print materials.

TUTORIAL SOCIETY: The National Honor Society set up the annual tutorial program. It is composed of some members of the Honor Society and other members of the school. The purpose of the tutorial program is to enable students to get special help in desired subjects from the members of the tutorial society.

senior advisory council . . .

SENIOR ADVISOR COUNCIL: Dennis Houle, *Advisor*; Margaret McClure, *President*; Dennis Lawler, *Vice-President*; Deborah Aufiero, *Secretary*; Patricia Roman, *Treasurer*. The Senior Advisory Council is responsible for all senior class activities such as the Senior Prom, Semi-Formal, Class Day, and the Car Wash.

student council . . .

STUDENT COUNCIL: Alfred Lennon, *Advisor*; William Mahoney, *President*; Barbara Gamel, *Vice-President*; Karen Halligan, *Secretary*; Judy O'Farrell, *Treasurer*. The Student Council consists of sophomores, juniors, and seniors. Their main purpose is to bring the faculty and the student body closer together. Some of the activities sponsored by the Student Council this year included fundraising campaigns for scholarships and helping the underprivileged—such as the concert featuring “Ma, Pa, and Joe” and the clothing drive.

library club . . .

LIBRARY CLUB: Marie Kennedy, *Advisor*; John Abdalah, *President*; Ann DiGiulio, *Vice-President*; Elaine Fairweather, *Secretary*; John Imbergamo, *Treasurer*. The Library Club holds monthly meetings with fascinating speakers. The club presents two shows annually and raises money to buy things for the library. The club also publishes a monthly newspaper for its members to inform them of future activities.

library staff . . .

LIBRARY STAFF: The Library Staff is made up of certain members of the Library Club who have received service pins for working in the library for fifty hours. They run the library by shelving, stamping, covering, and dating.

transcript staff ...

TRANSCRIPT STAFF: Paul A. O'Brien, *Advisor*; Maura Kelley, Diane Palumbo, Diane Joyce, *Co-Chairmen*. The purpose of the group is to provide coverage of school activities for residents of the Roslindale-West Roxbury area. The group submits a weekly column of information about students, clubs, and sports which, in turn, promote a close relationship between the school and the community.

bengal staff ...

BENGAL: Susan Lewis, *Advisor*; Debbie Cole and Nina Jamal, *Co-editors*; Maureen Joyce, *Art*; Joan Genco, *Humor*; Janet Gioffi, *Literature*; Annette Agvanian, *Music*; Barbara Haldoupis, *Astrology*; Diane Joyce, *Classified*; Kathy Fleming, *Outside News*; Jennie Soo, *School News*; Theodora Chocos, *Sports*. Roslindale High's school newspaper has been in publication in its present form since 1968-1969. All articles are the work of the students. The staff members are primarily responsible for all articles but any student in the school who wishes to submit an article to the paper may do so. Membership is open to all members of the school and the officers are elected annually.

office assistants . . .

OFFICE ASSISTANTS: Phyllis McDonough and Ann McGivern, *Advisors*. The girls are chosen on the recommendations of teachers for their attendance, scholarship, and neat appearance. We feel that they are in a position to create an immediate good impression of R.H.S. on office visitors. They operate the intercom, distribute mail, answer the telephone and aid the Head Master and secretaries in clerical duties.

MR. WALL'S OFFICE ASSISTANTS: The efficiency of this Secretariat is exceeded only by the grace and charm of those who attend it. Blythe in spirit, proficient in function, these young ladies execute quietly and inconspicuously and indeed they contribute significantly to its smooth operation.

DATA PROCESS STAFF: Joseph Richer and John Conley, *Advisors*. These girls are trained to assist the organizational staff in enrollment and placement, and in the continuous maintenance of Data Processing information concerning the records of every student within Roslindale High School. Without their assistance this work could not be done. Our many thanks to these girls.

DOOR ATTENDANTS: These young men are a select group chosen for their outstanding good looks and Maccabean dedication to duty. By their imposing, impressive presence they promote the school's excellent image and encourage the greater improvement of it. Like Scylla and Charybdis, they are sea sentinels with a strong protective instinct. They allow through our portals only those in pursuit of knowledge—knowledge given with alacrity by a competent, unselfish staff. Visitors to our institution, or others who wish to advance our purpose, are greeted courteously, and none is allowed to proceed unless his or her mission is compatible with our mission. Indeed, we owe sincere thanks to these fine fellows.

LOCKER ASSISTANTS: This year the locker crew is undertaking the task of converting all of the lockers to accept new combination locks. With this changeover the problems of lost and forgotten keys will become nonexistent. The locker assistants are responsible for this change and the maintenance of the massive amounts of paperwork necessary to keep this operation efficient and effective.

AUDIO-VISUAL STAFF: The purpose of this staff is to supply the faculty with audio-visual equipment when needed and to instruct teachers and students on the operation of various machines.

music . . .

A CAPPELLA CHOIR: Ronald Brown, *Advisor*; Marianne DeChellis, *President*; Arlene Humora, *Vice-President*; Gail Attaya, *Secretary*. The purpose of the choir is to learn and to present beautiful choral music from all periods of music and to learn proper balance, pitch, blend and tone quality in A Cappella singing and to develop a fuller depth in music.

art club . . .

ART CLUB: Sam Midman, *Advisor*; Linda Kitners, *President*; Mary Lawson, *Vice-President*; Felicia Klimek, *Secretary*; Denise Mondello, *Treasurer*. In the Art Club, our main goal is to raise money for a scholarship for an art student who plans to attend an art college. Our activities consist of making posters and murals for our school plays and activities. We also make gifts and art work for orphanages and hospitals in the Boston area.

theater-going club . . .

THEATER-GOING: The Theater-going Club attempts to inform students of the various plays, musicals, and other theatre productions which are being produced in theatres and universities around Boston. The club gives students the opportunity for companionship when attending various theatrical events.

representatives . . .

HOME ROOM GUIDANCE STAFF: The guidance staff is a liaison between the home rooms and the Guidance Office. Their primary function is to read and post the Weekly Guidance News in each home room. Its members may be called upon at various times during the year in other Guidance matters.

RED CROSS: Eleanor Sullivan, *Advisor*; Marilyn Moran, *President*; Juanita Owens, *Vice-President*; Margaret Newcomb, *Secretary*; Ellen Malaguti, *Treasurer*; Nancy Yoffe, *Senior High Council Representative*. The group dressed 200 dolls for distribution at Christmas to hospitals and orphanages. The group collected \$105.00 from Roslindale High students to be sent to headquarters. This was the largest amount so far.

ATHLETIC REPRESENTATIVES: Leo Sybertz, *Advisor*; Athletic representatives proved the same reliable, cooperative club as in the past in raising money to help support the teams.

science clubs ...

SCIENCE CLUB: Irene Heller, *Advisor*; Patricia Mombourquette, *President*; Paula Ceccarini, *Vice-President*; Irene Goranitis, *Secretary-Treasurer*. The Science Club, using lectures, discussions groups, and field trips, explored the different sciences. It was an enjoyable club where interested members could also acquire some preparation for college sciences.

The purpose of the Math Club is to use the knowledge of math in games and logic. Several field trips to places like the M.I.T. computer center are planned.

LABORATORY ASSISTANTS: Alan Ferber, *Advisor*. Laboratory assistants are assigned to teachers in Biology, Chemistry, and Physics Laboratories. It is the duty of the Laboratory Assistant to help the teacher in setting up the laboratory before class and to assist in taking down and putting away the apparatus after class.

MATH TEAM: John Maloney, *Advisor*; Jane Crowley, *Captain*. The math team competes four times a year in the Eastern Division of the Greater Boston Math League. Its purpose is to stimulate interest in mathematics through competition.

bowling clubs ...

BOYS' BOWLING: Leo Sybertz, *Advisor*; Walter Cuff and David DeCoursey, *Captains*. Intramural bowling has really mushroomed at RHS. Over 50 boys have spent their Sunday mornings at Albano's Lanes in West Roxbury. Walter Cuff's 112 average leads the bowlers. Dave DeCoursey and Carl Baron are tied for second with averages of 108. Mr. Sybertz and owner Lou Albano feel that the program allows the boys some good, clean, competitive fun.

GIRLS' BOWLING: Edna Sullivan, *Advisor*; Judith Zadourian, *President*; Theodora Chocos, *Vice-President*; Janet McCabe, *Secretary*; Nina Jamal, *Treasurer*. These girls bowl every Tuesday, two strings per person. At the end of the year, 10 of the best students are chosen to go into town to compete with girls from other schools. The person with the highest single or the highest average wins a trophy. The team that wins receives a trophy for the school.

chess club ...

CHESS CLUB: Ronald Brown, *Advisor*; Carl Baron, *Captain*. Learning chess is an excellent way to stimulate the intellect through quiet but vigorous concentration and logical management of the chess pieces.

Two intra-chess tournaments were held with all Roslindale High School students allowed to enter.

The chess team of five members competed in the chess league with interest.

activities . . .

highlights . . .

Many juniors took part in last year's production of Highlights, which was put on for three nights in April. Everyone enjoyed the music, dancing, magic show, and songs from the rock hit "Hair." Rossie's talented students made the '71 Highlights a big success, with the money collected from the shows going to the scholarship fund.

Soul!

elections . . .

Let me make one thing perfectly clear . . .

Junior class elections, held in May 1971, were the high point of our second year at Rossie. For two weeks the whole school came alive with the campaigning and the poster hanging in the corridors. The climax came with the candidates' assembly and the actual voting to select class officers for our senior year.

national honor society ...

I open this bid ...

Do I hear ...

One dollar ...

Sold!!!! This is what the best dressed men are wearing this year!!!

The National Honor Society inducted new members in the spring of '71. Our activities started in the fall. We sold book covers in order to raise money for scholarships. Later in the fall, the Honor Society held the annual White Elephant Sale. Some proceeds went to a local drug council. The remainder of the money is to be used for scholarships to outstanding members of the National Honor Society. Plans for the future include an induction in the spring for new members to the society.

car wash . . .

The Senior Advisory Council sponsored a car wash in the fall of '71 for the purpose of raising money for the Senior Class Fund. A lot of cars were washed, and so were many kids.

ma, pa, and joe . . .

In the fall of '71, the Student Council sponsored a rock concert starring, Ma, Pa, and Jo, and Still Frozen. We were proud to have classmates of ours as performers. All the money raised went to the School Scholarship Fund.

student government day . . .

Student Government Day was held in order to give the senior class an opportunity to hear the qualified students who were chosen to represent Roslindale High School on a state-wide level. The winner would participate in Student Government Day at the State House in which Massachusetts high school students took over government positions for one day. The winner was Luis Dorsey, who presented his bill for more teenage recreational centers.

semi-formal . . .

The semi-formal is the responsibility of the Senior Advisory Council, which runs the dance for the benefit of all the students at Rossie. The semi-formal is not a money making activity but rather is operated as an enjoyable social event at a minimum cost. This year's dance was held at the American Legion Post in Dedham, with music by the "Inner Circle."

christmas assembly ...

"The Grinch Who Stole Christmas" took it during the Christmas play at Roslindale this year. The true Christmas spirit, the Grinch discovered, rests in togetherness and love rather than in material possessions. In closing, the Grinch, after a change of heart, joined the cast as they sang, "I'd like to build the world a home and furnish it with love ..."

CLASS OF '72 GRADUATES!!!!!!!

Even though he was not here for our senior year, Mr. William J. Cunningham was a very important part of our lives at Rossie. We will always remember his good humor and support of all our endeavors. Mr. Cunningham saw us through two years full of candy sales, field trips, athletic events, and countless assemblies.

The Class of 1972 hopes that he will fully enjoy his retirement. He deserves it.

Thanks for the memories . . .

All things have passed; we are 1972 graduates. Can you think back three years to your first day at Rossie? After you got off the bus at the square, weren't you confronted by a crowd of arrogant juniors and seniors blocking Poplar Street? Didn't it seem as if you were being swallowed by a crowd of 500 other confused "wise fools" as you tried to get into the auditorium? A welcoming speech by a distinguished gentleman started off our lives at Rossie. How is your memory?

High school brought new freedoms: no more silent filing in the corridors or standing to answer in class. But high school also brought new frustrations for sophomores. We had become the least important class again, so our homerooms were put on the bottom of all the activity lists. The only assemblies we saw that year were during the Hong Kong flu epidemic when the rest of the school was absent. We had one good break that year—our teachers gave us an unscheduled vacation. Classes, of course, were still held for those few "students" whose mothers forced them to come. Unfortunately, our luck ran out, so we patiently (?) waited for June while the seniors got all the attention. Summer vacation passed very quickly that year.

We returned in September with a new junior status. We were no longer on the bottom of the pile; we were number two so we tried harder. In January long-awaited changes began to appear at Rossie. After confronting the School Committee, we had the dress code dropped. Jeans became the common mode of dress and hair lengths crept farther and farther down the

back. The end of this year brought us a preview of what senior year would be like. We went on a field trip that we'll always remember and Plymouth would rather forget. Class elections got everyone involved in school politics. You couldn't walk down a corridor without being hit by wall to wall signs. Some poets created such literary masterpieces as "Don't be a dead-head, vote for the red-head" and "Diane Joyce is your choice." Mr. Cunningham and several dedicated teachers retired.

We returned in September to a new headmaster and several new teachers. We had a new sense of power and superiority. We were now the "big guys" and the only ones who didn't know it were the teachers. How quickly they found out! We had a very wet car wash, a loud rock concert featuring "Ma, Pa, and Joe" and "Still Frozen", a grinchy Christmas, and a great semi-formal. To cut down on the frost-bite cases, the Key Club and the Keyettes got together to serve hot chocolate and doughnuts before school in the cafeteria.

For many of us, senior year meant filing too many college applications and forms. Class dues and caps and gowns reminded us that graduation was only three months away.

After twelve years of anticipation we became "the graduates of 1972" in a short one hour ceremony. What will happen tomorrow? Well, one thing is certain; our three years at Rossie will be the tie to past memories of good times and good friends . . .

FOOTBALL TEAM: The spirited Roslindale Tiger eleven led by Captain Joseph "Zeke" Zizza ended with a 2-7 record. Injuries forced many of the misfortunes of this year's team. Roslindale's first non-league encounter with Foxboro High School proved unsuccessful as the Tigers were walloped 38-0. Roslindale fans and parents were treated to a very successful endeavor when they attended the first annual Thanksgiving Day game vs. Hyde Park. Despite a valiant effort, the Tigers were unable to overcome a powerful Hyde Park eleven. They bowed 33-20. A young Roslindale team should win its share in the future years. Individual honors were won by Tiger tackle Weston Stow. He was selected All-League and All-Conference.

The Roslindale High School hockey team this season, lead by Robert J. Kupka, has been in the battle for the top position in the District League. There are seven seniors on the team who have worked hard for three years to attain this goal. The defense is led by Captain Joe MacNeil along with John McGillvray and Craig McKay. Offense is spirited by first liners Joe Tolland, Paul Doherty, and Jim McKernan. The second line is led by sophomore Dennis Sholes, and his line mates are Paul Duhaime and George Munchbach. The net is covered by Walter Yarosh and Owen Julius. The General Manager is Warren Yee.

basketball ...

Captain Joe Denault, three year varsity veteran, led an all underclassmen Tiger squad into this year's basketball schedule. Joe was the quiet, hustling leader whose ball handling and shooting dazzled District League opponents. Even brighter shone the star of the 1971-72 team, Tim Lennon. Tim led the league in scoring and was the Tigers' sole mainstay off the boards. Mr. Vertullo and Mr. Donato are the coaches.

Junior Varsity

Varsity

GIRLS' BASKETBALL: Carolyn Weiner, *Advisor*; Jean Mortali and Laurette Carter, *Co-Captains*. After diligent practice, we are ready to open competition against all the city high schools. Our varsity has an excellent prospective for a successful year. The junior varsity is an inexperienced, developing team gaining confidence with each game. The blend of various talents form the backbone of our squads. We have outstanding athletes that always exemplify sportsmanship with the high standards set by our co-captains.

BADMINTON: To open the fall sports' season, Badminton is the first competitive activity. Students select their own partners for the weekly intramural tournaments. Doubles matches continue into November in preparation for the City-Wide Competition.

This year the competition was hosted by Girls' Latin School. We were represented by the doubles of Laurette Carter—Barbara Munchbach and Deborah Spence—Jean Wong. Each school also supplies its own officials and scorers for the tournament for this activity is student run.

Roslindale did very well. We placed second to Girls' Latin, soundly defeating all other city high schools.

VOLLEYBALL: These girls practiced and played twice a week in various gymnasiums throughout the city. We placed first in our division and were undefeated. In the play-offs, we lost to Fontbonne Academy in the final match. Mrs. Louise Kennedy, Associate Director of the Recreation Programs of the Park Department, presented our team with the runner-up plaque. We closed the season with another first, the introduction of Fistball.

cheerleaders . . .

CHEERLEADERS: Carolyn Weiner, *Advisor*; Arlene Humora and Patricia Griffin, *Co-Captains*.

Rossie Cheerleaders are an exceptional group of girls whose dedication and practice is well known. In the spring, many girls try out for the fourteen prestigious positions on our squad.

A recent addition to our squad is our Tiger. The skins were filled by Angela Marseglia and Bea Reid.

Our girls practice all summer long in order to be ready for the opening football jamboree. They cheer at all football games with spirit and gusto. Their glow of enthusiasm is a strong stimulus for school spirit. Their cheers, chants, and songs echo throughout the stadium. The season drew to a close with the annual Hyde Park game.

The squad will display their talents for the last time in the Annual Highlite Show in the spring.

LEASING OF ALL MAKES

You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people. With all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. Your High School diploma is all the experience you need. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.

New England Telephone An equal opportunity employer

“The timeless in you is aware of life’s timelessness,
And knows that yesterday is but today’s memory
and tomorrow is today’s dream . . .”

Kahlil Gibran
